AMENDED IN ASSEMBLY APRIL 14, 2010

CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1682

Introduced by Assembly Member Torres

January 26, 2010

An act to amend Section 6254 of the Government Code, and to add Section 964.1 to the Penal Code, relating to police reports.

LEGISLATIVE COUNSEL'S DIGEST

AB 1682, as amended, Torres. Police reports: confidential personal information.

(1) Existing law prohibits any law enforcement officer or employee of a law enforcement agency from disclosing to any arrested person, or to any person who may be a defendant in a criminal action, the address or telephone number of any person who is a victim or witness of the alleged offense.

This bill would authorize a board of supervisors or a city council to authorize the sheriff, in the case of a county, or the chief of police, in the case of a city, to establish a procedure to protect ~~confidential personal~~ *current address* information contained in a police report, arrest report, or investigative report regarding a victim ~~where if~~ access to that information would reveal the ~~identity~~ *current address* of a victim or alleged victim of a crime, and ~~where if~~ that victim, alleged victim, or the parent or guardian of a victim or alleged victim who is a minor has requested the information to be kept confidential, subject to specified exceptions.

(2) The California Public Records Act requires public records to be open to inspection by the public except as specifically exempted from disclosure. The act requires, subject to certain exceptions, state and local law enforcement agencies to provide the current address of every individual arrested by the agency and the current address of the victim of a crime, where the requester declares under penalty of perjury that the request is made for scholarly, journalistic, political, or governmental purpose, or that the request is made for investigation by a private investigator as specified.

This bill would instead provide that these provisions are subject to any procedures adopted by a sheriff or chief of police to keep confidential *current address* information contained in certain reports relating to a victim or alleged victim of a crime.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 6254 of the Government Code is amended
2 to read:
3 6254. Except as provided in Sections 6254.7 and 6254.13,
4 nothing in this chapter shall be construed to require disclosure of
5 records that are any of the following:
6 (a) Preliminary drafts, notes, or interagency or intra-agency
7 memoranda that are not retained by the public agency in the
8 ordinary course of business, if the public interest in withholding
9 those records clearly outweighs the public interest in disclosure.
10 (b) Records pertaining to pending litigation to which the public
11 agency is a party, or to claims made pursuant to Division 3.6
12 (commencing with Section 810), until the pending litigation or
13 claim has been finally adjudicated or otherwise settled.
14 (c) Personnel, medical, or similar files, the disclosure of which
15 would constitute an unwarranted invasion of personal privacy.
16 (d) Contained in or related to any of the following:
17 (1) Applications filed with any state agency responsible for the
18 regulation or supervision of the issuance of securities or of financial
19 institutions, including, but not limited to, banks, savings and loan
20 associations, industrial loan companies, credit unions, and
21 insurance companies.

1 (2) Examination, operating, or condition reports prepared by,
2 on behalf of, or for the use of, any state agency referred to in
3 paragraph (1).

4 (3) Preliminary drafts, notes, or interagency or intra-agency
5 communications prepared by, on behalf of, or for the use of, any
6 state agency referred to in paragraph (1).

7 (4) Information received in confidence by any state agency
8 referred to in paragraph (1).

9 (e) Geological and geophysical data, plant production data, and
10 similar information relating to utility systems development, or
11 market or crop reports, that are obtained in confidence from any
12 person.

13 (f) Records of complaints to, or investigations conducted by,
14 or records of intelligence information or security procedures of,
15 the office of the Attorney General and the Department of Justice,
16 the California Emergency Management Agency, and any state or
17 local police agency, or any investigatory or security files compiled
18 by any other state or local police agency, or any investigatory or
19 security files compiled by any other state or local agency for
20 correctional, law enforcement, or licensing purposes. However,
21 state and local law enforcement agencies shall disclose the names
22 and addresses of persons involved in, or witnesses other than
23 confidential informants to, the incident, the description of any
24 property involved, the date, time, and location of the incident, all
25 diagrams, statements of the parties involved in the incident, the
26 statements of all witnesses, other than confidential informants, to
27 the victims of an incident, or an authorized representative thereof,
28 an insurance carrier against which a claim has been or might be
29 made, and any person suffering bodily injury or property damage
30 or loss, as the result of the incident caused by arson, burglary, fire,
31 explosion, larceny, robbery, carjacking, vandalism, vehicle theft,
32 or a crime as defined by subdivision (b) of Section 13951, unless
33 the disclosure would endanger the safety of a witness or other
34 person involved in the investigation, or unless disclosure would
35 endanger the successful completion of the investigation or a related
36 investigation. However, nothing in this division shall require the
37 disclosure of that portion of those investigative files that reflects
38 the analysis or conclusions of the investigating officer.

1 Customer lists provided to a state or local police agency by an
2 alarm or security company at the request of the agency shall be
3 construed to be records subject to this subdivision.

4 Notwithstanding any other provision of this subdivision, state
5 and local law enforcement agencies shall make public the following
6 information, except to the extent that disclosure of a particular
7 item of information would endanger the safety of a person involved
8 in an investigation or would endanger the successful completion
9 of the investigation or a related investigation:

10 (1) The full name and occupation of every individual arrested
11 by the agency, the individual's physical description including date
12 of birth, color of eyes and hair, sex, height and weight, the time
13 and date of arrest, the time and date of booking, the location of
14 the arrest, the factual circumstances surrounding the arrest, the

22 nature of the response thereto, including, to the extent the
23 information regarding crimes alleged or committed or any other
24 incident investigated is recorded, the time, date, and location of
25 occurrence, the time and date of the report, the name and age of
26 the victim, the factual circumstances surrounding the crime or
27 incident, and a general description of any injuries, property, or
28 weapons involved. The name of a victim of any crime defined by

34 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code may
35 be withheld at the victim's request, or at the request of the victim's
36 parent or guardian if the victim is a minor. When a person is the
37 victim of more than one crime, information disclosing that the
38 person is a victim of a crime defined in any of the sections of the
39 Penal Code set forth in this subdivision may be deleted at the
40 request of the victim, or the victim's parent or guardian if the

1 victim is a minor, in making the report of the crime, or of any
2 crime or incident accompanying the crime, available to the public
3 in compliance with the requirements of this paragraph.

4 (3) Subject to the restrictions of Sections 841.5 and 964.1 of
5 the Penal Code and this subdivision, the current address of every
6 individual arrested by the agency and the current address of the
7 victim of a crime, where the requester declares under penalty of
8 perjury that the request is made for a scholarly, journalistic,
9 political, or governmental purpose, or that the request is made for
10 investigation purposes by a licensed private investigator as
11 described in Chapter 11.3 (commencing with Section 7512) of
12 Division 3 of the Business and Professions Code. However, the
13 address of the victim of any crime defined by Section 220, 236.1,
14 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e,
15 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2,
16 288.3 (as added by Chapter 337 of the Statutes of 2006), 288.3 (as
17 added by Section 6 of Proposition 83 of the November 7, 2006,
18 statewide general election), 288.5, 288.7, 289, 422.6, 422.7, 422.75,
19 646.9, or 647.6 of the Penal Code shall remain confidential.
20 Address information obtained pursuant to this paragraph may not
21 be used directly or indirectly, or furnished to another, to sell a
22 product or service to any individual or group of individuals, and
23 the requester shall execute a declaration to that effect under penalty
24 of perjury. Nothing in this paragraph shall be construed to prohibit
25 or limit a scholarly, journalistic, political, or government use of
26 address information obtained pursuant to this paragraph.

27 (g) Test questions, scoring keys, and other examination data
28 used to administer a licensing examination, examination for
29 employment, or academic examination, except as provided for in

34 local agency relative to the acquisition of property, or to
35 prospective public supply and construction contracts, until all of
36 the property has been acquired or all of the contract agreement
37 obtained. However, the law of eminent domain shall not be affected
38 by this provision.

39 (i) Information required from any taxpayer in connection with
40 the collection of local taxes that is received in confidence and the

1 disclosure of the information to other persons would result in unfair
2 competitive disadvantage to the person supplying the information.

3 (j) Library circulation records kept for the purpose of identifying
4 the borrower of items available in libraries, and library and museum
5 materials made or acquired and presented solely for reference or
6 exhibition purposes. The exemption in this subdivision shall not
7 apply to records of fines imposed on the borrowers.

8 (k) Records, the disclosure of which is exempted or prohibited
9 pursuant to federal or state law, including, but not limited to,
10 provisions of the Evidence Code relating to privilege.

11 (l) Correspondence of and to the Governor or employees of the
12 Governor's office or in the custody of or maintained by the
13 Governor's Legal Affairs Secretary. However, public records shall
14 not be transferred to the custody of the Governor's Legal Affairs
15 Secretary to evade the disclosure provisions of this chapter.

17 except those records in the public database maintained by the
18 Legislative Counsel that are described in Section 10248.

28 and the data is required in order to obtain guarantees from the
29 United States Small Business Administration. The California
30 Pollution Control Financing Authority shall adopt rules for review
31 of individual requests for confidentiality under this section and for
32 making available to the public those portions of an application that
33 are subject to disclosure under this chapter.

39 recommendations, meeting minutes, research, work products,
40 theories, or strategy, or that provide instruction, advice, or training

4 state agency with respect to any other records relating to the
5 activities governed by the employee relations acts referred to in
6 this subdivision.

3 Section 3 of Article I of the California Constitution. Pursuant to
4 that constitutional provision, the Legislature makes the following

7 In order to protect the victim of a crime from further suffering
8 that results when that person's identity becomes public and
9 retaliation, intimidation, and harassment may be inflicted by the
10 very perpetrators who committed the crime, it is necessary to
11 empower local government to protect confidential personal
12 information contained in a police report, arrest report, or
13 investigative report.
